K LOVE is a great way to help people to know christ and about him in
away that words can,t with song.

please help keep K LOVE on the air we need the community and the world
to hear how great christ is... we all need the encouragment everyday in all our
life,s.

So as a K LOVE lisener we plead with you, because other stations do not give the
love and support like K LOVE does, for me and lots of others.....

Thank you...
